

WARM THE HEART FREE FURNACE PROGRAM

MISSION STATEMENT

Warm The Heart is a not for profit organization that exists as a means to provide replacement furnaces to needy families in New Castle County and the city of Wilmington that are not able to afford them on their own this winter. Warm The Heart is designed to deliver the necessary relief to less fortunate families that might otherwise ignore the potential life threatening issues of a faulty heating system, ease the pain of increasing utility bills and replace an existing furnace due to financial concerns.

Founded by the employees of Horizon Services in 2005, Warm The Heart will purchase and install 12 new furnaces in 2010. The employees of Horizon Services are committed to this effort that provides for the basic needs of those less fortunate and the belief that helping our fellow man in a time of need is the right thing to do, both morally and business-wise.

Warm The Heart also offers local businesses the opportunity to increase their visibility through their participation in this worthwhile community program by becoming a contributing sponsor through the donations or other supportive ways. All of us at Horizon Services are excited about this worthwhile opportunity and hope that through this we can make a substantial difference in our community.

OFFICIAL ENTRY RULES

1. An independent committee will select 12 homeowners this year who will receive a free furnace. The installation will include a standard furnace and the upgrade of any code violations.

5. To qualify you must own and live in the house which is being submitted on the application.
6. Please fill out the application in its entirety - the more information you supply, the easier it will be for the selection committee to qualify your need.
7. Once all the entry forms have been submitted and reviewed, the selection committee will prioritize the applications - you may receive a phone call or visit to your home so we can verify your need.
8. All applicants will be notified in writing or by phone of their status by January 30, 2010

Participants (and family members of such participants) in the recruitment of applicants and/or the selection of needy homeowners may not apply for, and are not eligible or entitled to receive a free furnace.
